

# China. The time is now.

**BIBLE SOCIETY**

Now is the time to pray.  
Now is the time to give.

The door is open for the Church in China to legally print and distribute Bibles.

Bible Society Australia is partnering with other Bible Societies to fund 2 million Bibles this year.

**Can you help us now while the door is open?**

This month is *Bibles for China Month*. Please pray and give towards our goal.

**Pray.**

Commit each prayer item in our Prayer Guide overleaf to one minute of prayer as often as you can throughout this month.

**Give.**

Donate towards one minute of printing (perhaps as part of your Bible Study group?). A gift of \$120 will fund the Bible paper needed to print 60 Bibles in one minute.

## WEEK 2

### Pastors

- Praise God for the immense growth taking place in China and pray that many more pastors will be raised up and equipped to shepherd the Church.
- Pray for strength, wisdom, and encouragement for the ordained pastors who lead the Chinese Church today.

## WEEK 3

### Government

- Give thanks for the Chinese Government's approval for the Church in China – with the support of Bible Society to print and distribute Bibles across China.
- Pray for this open door to remain open.

## WEEK 4

### Chinese Church

- Following the prayer of Kua Wee Seng of the China Partnership: "Pray that the Church in China would continue to grow numerically and spiritually. That they would become a strong church, rooted in the word of God, planted in the soil of China... a key member of the global church, playing its role in global missions."

**Through prayer we can be part of powerful change. Commit to praying throughout this month. Pray for one aspect of need each week.**
