

DON'T HAVE PLANS FOR YOUR CHRISTMAS EVENT? WE'VE GOT REALLY GOOD NEWS

Our little book is a proven hit with Australian kids, in every kind of Australian church.

IT TELLS THE WHOLE STORY OF JESUS

More than donkeys and shepherds. It's got the Gospel story from the creation of the world to the resurrection.

WE'VE GOT THE WHOLE PACKAGE FOR YOU

We want to send digital resources along with the little books. You'll have everything you'll need to run your whole kids Christmas programme — the play, video and even how to make costumes.

WE HAVE THE PERFECT GIFT FOR YOUR CHURCH THIS CHRISTMAS!

A WINNER AT SCRIPTURE

"It reached out to everyone who received one - especially our Scripture class. Non Christian friends gladly accepted it too."

- Hosanna Christian Fellowship Portland

IT'S PERFECT FOR YOUR EVENT

Do you plan to have carols in the park, or something more formal? In 2017 we had people hand them to kids at all kinds of events and 250,000 kids snapped them up.

THE TRUTH OF JESUS, PERFECTLY TOLD

It's the nativity story we all know and love told with great warmth by Dai Woolridge. And it comes with a lovely invitation for kids to explore the Good Book for themselves.

IT'S SHINY. IT'S BEAUTIFUL.

The Really Good News of Christmas- For Me! is brilliantly illustrated by Emma Randall, and is a page-turner!

EASTER YOU ASK? WE'VE GOT THAT COVERED TOO

Already, we've got *The Seriously Surprising Story* underway. When kids open the pages they'll find two people journeying from Jerusalem to Emmaus and encounter the risen Jesus.

PARENTS LAP IT UP

“Children were opening, and reading, and looking. Some parents began reading to their children straight away.”

- Coolum Beach Baptist Church

“We played the video at our annual Parish Christmas Party and gave each child the booklet as a Christmas present. Both the video and booklets were well received.”

- St Mary's Catholic Parish Warwick
