

# CUSTOM BIBLES FOR SCHOOLS 2021

## What you need to know to order your personalised school Bible for 2021

### What will my Bible look like?

Your Bible will be a royal blue hardcover Bible with your school crest gold-foil embossed on the cover.

### What will it look like on the inside?

Your Bible will have eight pages of preliminary pages, including:

- a presentation page featuring your school crest
- an imprint page
- a school page – perhaps a message from your head of school, the school prayer or hymn, or your school values
- four pages of Bible guides created by Bible Society Australia.

### A sample insert

### What will I have to do?

We know how busy schools are, so we will look after all the editorial, design and printing. You simply need to supply us with a jpeg of your school crest and the information you want to include on the school page and we will do the rest. We will send you the final layout for your approval so you can see exactly how the pages will look.

### What translation is the Bible?

The New International Version (NIV).

### Is there a minimum order?

Yes, you must order 200 copies or above to join the print run. Sadly it is not possible to accept smaller orders.

### How much are the Bibles?

Each Bible is \$19.99, including GST.

### How do I pay?

Payment is due when you place your order. We will send you a tax invoice and you can pay by either cheque or EFT.

### When do I need to order by?

Soonest possible if you want to catch the 2021 run.

### Is it possible to have more custom pages?

Yes, we can make a completely bespoke Bible for you with more content pages. Minimum order is 1000 and pricing will be quoted according to extent of custom pages required.

[Email us here to find out more.](#)

### Anything else?

You can contact us [here](#) if you need more information. Oh, and we'd love you to send a picture of some students with their Bibles so we can share it!

### So how do I order?

Click **HERE** to go to our order page.

*'We are so pleased with the final product and the appearance and functionality of the Bible. We were also so appreciative of the excellent service Bible Society provided throughout the process.'*
