

Bibbulmun for Bibles

The Bibbulmun Track is a long distance walking track stretching 1,002 kilometres from Kalamunda to Albany through some of the most beautiful areas of south-west Western Australia.

Bible Society's Bibbulmun Track Hike is celebrating 22 years of walking for a great cause. Hikers keen to do their part have covered different sections of the track over the years, raising \$122,000 for Bible work while enjoying the great outdoors.

So come along and take the opportunity to be guided by experienced hikers as you learn the skills you need to enjoy one of the world's best hiking tracks. (Hiking gear can be hired from Bibbulmun Track Foundation).

This year our hike will commence at Northcliffe and finish at Lake Maringup. Further details regarding transport arrangements will be provided in due course.

A one-day training walk will be held during the month of August and details of this will be provided following your registration.

Hope for the Hurting

Help bring the comfort and wisdom of God's word to those in need.

Funds raised from this hike will help Bible Society provide free Scriptures for chaplains reaching out to hurting Australians in hospitals, schools, prisons, the emergency services and our defence force.
