Join us on the 'Cowra 500' Ride so we can transform lives through literacy! Challenge yourself to ride 600km and raise funds to support Bible Society's Bible-based Literacy project in Mozambique.

WHY ARE WE RIDING?

Mozambique is considered to be one of the world's poorest nations, with more than 50% of the population living below the poverty line. Mozambique has a broad expression of religious beliefs, with a significant portion of the population Christian. However, the literacy level in many congregations means that the Bible is not easily read or understood, even by pastors. That is why Bible Society Australia are funding a Bible based literacy development project designed to teach people to read the Bible and provide basic literacy, numeracy and life skills.

Will you help us turn on the light of literacy for disadvantaged families today?

BIKE FOR BIBLES

WHEN IS IT?

2nd - 7th of October 2022

WHAT ARE THE COSTS INVOLVED?

\$10 registration. \$300 on road costs for riders and roadies. If you would like to do part of the ride, a price per day can be negotiated, around \$60 per day.

WHERE ARE WE RIDING?

All 5 days of planned ride routes will start and finish at Cowra Baptist Church - 2 Bourke St, Cowra.

We will have two teams of riders to cater for different levels of ability and, depending on numbers on the day, we will split each team into a faster group and a slower group:

- The A Team will cover 130-140kms most days, with the faster group averaging 30+/-kph and the slower group averaging 25+/-kph. Total distance 624kms over 5 days.
- The B Team will cover 60-80kms each day, with the faster group averaging 25+/kph and the slower group averaging 20+/-kph. Total distance 363kms over 5 days.

Each day you can choose a group to reflect your fitness and confidence. Some days the teams meet up at the meal stops, which also lets you change up or down if needed. And if riding 5 days in a row proves too much for you then you can just take a rest day.
